Marie von Ebner-Eschenbach,

A little song

tradukita de Frank Petersohn

A little song,
How does it go?
How dear to me
It speaks, but lo,
Why is it so? Relate, do!

Hark, it contains
A pleasant ring,
Comforting strains,
Some words to sing
And someones entire soul too.

Traduko de la Germana poemo "Ein kleines Lied" de Marie von Ebner-Eschenbach *(∗1830 – †1916) en la Anglan de Frank Petersohn.*
