Chānglíng Wáng ,

The green Skirt of the Girl's

tradukita de Shirley Yiping Zhang

The green skirts of the girls'
seem as being cut by the lotus leaves,
The pretty lotuses are blossoming
to the girls' pink faces...

Both of them mix into the lotus pool
and the girls could not been seen at all...
We just realize that some poeple are coming
after hearing their beautiful songs...

Traduko de la ĉina poemo "Căi lián qŭ" de Chānglíng Wáng en la Anglan de Shirley Yiping Zhang.
